Kumble is a tall, young man with a run as springy as an antelope's bound. His long, bony fingers can easily spin a ball.

He's the second bowler in 122 years to take all ten wickets in an innings. His record spell - 10 for 74 against Pakistan - at the Ferozeshah Kotla helped India win the Second Test. The only other person to have taken 10 wickets in an innings was Jim Laker whose figures are 10 for 53.

After the last wicket was taken, Kumble couldn't find the ball. He wanted to keep it as memento. Well, luckily, his friend Venkatesh Prasad had it and gave it to him.

Kumble believes in three D's - Determination, Discipline and Dedication.

Minutes before flying to Sharjah for a test match, he had the time and concern to telephone a young boy who was seriously ill and almost certain to die. It made the boy's last day happy.

They say he's a matador who looks like a chess player.
